PASS THE WHISTLE PROGRAM

A Parent Code of Conduct

The Licking County Family YMCA and all associated sports programs are guided by four core values: caring, honesty, respect, and responsibility. All participants/spectators of LCFYMCA organized sports programs are expected to conduct themselves in a manner that exemplifies these values. To ensure an enjoyable program for program participants, all parents/spectators must agree to the following code of conduct in its entirety.

Expectations:

- No individual shall use any language or behavior towards a player, staff member, official or another individual in attendance that is deemed inappropriate or offensive.
- No person in attendance shall be under the influence of drugs, alcohol or any other mind/behavior altering substance.
- No individual shall show an act of aggression or public display of hostility, which leads to another person's safety being threatened.

Consequences:

Any individual in violation of the expectations listed above, or whom is removed from a sporting event, facility or event for any reason will be subject to the disciplinary actions listed below.

- A written apology to the individuals offended with the above actions.
- To officiate a game/event of equal status in which they were previously removed from.
- In the event the removal happens at season's conclusion, the individual will be required to donate an hour and half of community service time to the LCFYMCA completing tasks that directly benefit the program from which they were removed.

If an individual refuses to comply with the conditions of the program the participant and all associated parties will be dismissed from the current program along with future ones. Compliance with the Pass The Whistle Program will help ensure a positive experience for all participants. Any individual entering LCFYMCA facilities will be subject to this program.
