Y Lifeguard Candidate Welcome Letter

(read & keep for your records)

Thank you for enrolling in the Licking County Family YMCA Lifeguard Training course. **Attendance is required for all classes. Failure to attend any class may keep you from receiving certification.**

The Y believes that preventing an accident and saving a life is worth the hours of training and dedication essential to becoming a competent lifeguard. YMCA-certified lifeguards have a serious responsibility to prevent accidents and handle emergencies properly. It is imperative that lifeguards are physically trained, mentally alert, and have the maturity to safely guard an aquatic area.

We expect you to demonstrate your maturity at all times during classroom and pool instruction by:

- Attending & participating in **ALL** class, pool, and practice sessions
- Arriving promptly and prepared for class (assignments completed, swimsuit, towel, fanny pack, lifeguard manual and participant packet)
- Presenting a positive attitude and courteous class conduct
- Making an appointment with the instructor when you have difficulty understanding the material presented or if you have specific testing needs.

To participate in the YMCA Lifeguard course, you must meet the following prerequisites:

- Be at least 16 years old by the last day of the scheduled course. (The consent of a legal guardian is required for those younger than 18 years old prior to the start of the first class).
- Pass the following Physical Competency Requirements (conducted in class on the first day):
 - **Phase 1**
 - ✓ Tread water for 2 minutes (legs only)
 - ✓ Swim 100 yards/meters of front crawl – face in water
 - **Phase 2**
 - Swim 50 yards/meters each:
 - ✓ Front crawl with head up
 - ✓ Sidestroke on right
 - ✓ Sidestroke on left
 - ✓ Breaststroke (head in)
 - ✓ Breaststroke with head up
 - ✓ Elementary backstroke kick with hands crossed on chest
 - ✓ Perform a feet first surface dive in 8 to 10 feet of water, then swim underwater for 15 feet

○ **Phase 3**

- ✓ Start in shallow water and perform the following:
- ✓ Sprint approximately 20 yards (60 feet) and then perform an arm-over-arm surface dive in 8 to 10 feet of water.
- ✓ Pick up an object from the bottom of the pool, surface and tread water for at least 1 minute with legs only, and then replace the object back on the bottom of the pool.
- ✓ Surface and swim the remaining length to the end of the pool and hoist yourself out of the water without using a ladder or other assistance.
- ✓ Immediately begin compressions on an adult manikin for 100 compressions; stand and listen to directions from the instructor.

To successfully complete the course, you will be required to perform the following:

- Demonstrate competency in each critical skill taught in the course. Competency is defined as being able to perform each critical skill correctly and without guidance.
- Successfully complete Basic Life Support (CPR for the Professional Rescuer), including AED, Basic First Aid, and Emergency Oxygen Administration certifications.
- Complete all online learning assignments according to the schedule set by the instructor. Must have access to a computer in order to complete the assignments.
- Successfully complete water tests and all scenarios.
- Pass all written exams with at least an 80% score. The final Lifeguard exam requires an 80% score or better on each section of the exam to pass.

Paying the course fee does not guarantee certification. Successful completion of the course does not guarantee YMCA employment. Upon successful completion of the course, you will receive YMCA Lifeguard certification and ASHI Basic First Aid and Emergency Oxygen Administration, which are all valid for two (2) years. You will also receive Basic Life Support (CPR-Pro & AED) which is valid for one (1) year. BLS must be renewed annually and proof sent to YMCA of the USA in order to keep your YLifeguard certification current.

The YMCA Lifeguard manual will be on loan during class. If it is lost or not returned by the last day of class, certification may be held until either it is returned or a \$35 restocking fee is paid.

A fanny pack, resuscitation mask, whistle and lanyard will be given to lifeguard candidates during class and this is included as part of your class fee.

Please sign and return the Acknowledgement form, the Health & Information form, and the Registration form to the YMCA Service Desk when registering for class. Keep this letter for your records.
